Report of the Secretary-General

Corrigendum

Paragraph 16

The paragraph should read:

16. Pursuant to Security Council resolution 1478 (2003) of 6 May 2003, the Panel of Experts on Liberia submitted two reports to the Committee established pursuant to resolution 1343 (2001) concerning Liberia, which were subsequently transmitted by the Committee to the Council.[9] Those reports contain a series of recommendations aimed at breaking the link between certain commercial activities involving natural resources and the fuelling of conflict. The Committee carefully considered those recommendations, and the Chairman conveyed the Committee's views on them to the Security Council on 4 December 2003 in order to assist the Council in its review of the sanctions measures concerning Liberia.
